Alternate Choices:

Many of our listed items are understandably one-of-a-kind. We therefore ask that you list alternate selections so that we may have a better chance of completing your order. We will not, of course, ship any alternate selections unless your first choices have already been sold. If you are ordering for a type set, please list "type coin" as your alternate choice. If your first choice is no longer available, we can then fill your order with another coin of the same type in equal or higher grade.
